# 3 Revolutions: Health Equity Considerations

- **Physical activity / active transportation**
- **Traffic safety** (road traffic injuries / death)
- **User safety** (including data security, privacy)
- **Transportation equity & accessibility**
- **Air Quality**
- **Vehicle miles traveled, land use, & greenhouse gas emissions**
- **Public transit**
- **Employment and jobs**
- **Mental health and social cohesion**
- **Noise**
- **Emergency response**
- **Community engagement & decision-making**
- **Other potential health impacts**

# HEALTH EQUITY DIMENSIONS OF THE 3 REVOLUTIONS

## Thank You!
